Case No. CV-0705966 VRW (PR)

RICHARD W. WIEKING
CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

To whom it may concern:

I write to you this letter regarding the above mentioned civil action that is pending in this Court.

The purpose of this letter is to try and inquire as to when this Court is planning on " screening" this civil action. The reason that I ask is that unfortunately I am still having problems regarding the subject matter that this complaint is filed for. Without this Court initial screening by the presiding magistrate, I am unable to move for any motion(s) i.e. preliminary injunctions and discovery.

Here at the main jail in Santa Clara County, there a number of other prisoners that have the similar problems that this civil complaint is regarding and are anxious to submit declarations in support of this civil action rather than clog this Courts calander with repeatative claims.as this one.

If possible, would you please forward to me an estimated time in which this civil action is schedueled for the appropriate " screening " phase prior to an ORDER be issued.

I Thank you for your time.

Very truly yours,

Mr. Marcos L. Musquez #CVN338
